Financial report

Treasurer Doug Mackie was not in attendance. President Cheryl Schmieder said she had a check of \$55 from the Driftless Market, plus donations from audience attending the one acts.

One Acts Update

'Town Council', 'Good Sports' and 'The Service' had a respectable showing with 39 attending the first night, 30 the second evening and 50 on Sunday afternoon for a total of 119. The play cleared \$318 after expenses. Cheryl collected \$150 in donations in the appeal after the shows. There is some question as to whether the profit goes to PCT or the Friends of PMA as the PCT never formally voted on it.

No updates at this time.

Spring Variety/Talent Show

Summer Hamille apparently wants to do a talent show, mostly geared toward kids. It would be nice if we could find someone to coordinate adding an adult talent show to stage at about the same time.

Fund Raising Brainstorming - All

Kerry McCabe said we need to develop a spring/fall show schedule on regular rotation so that people learn to expect and plan for it.
